I saw it officer,  
It looked prehistoric...

There's a monster in my pants  
And it does a nasty dance  
When it moves in and out  
Everybody starts to shout

Monster, aaaah monster, aaaah  
Get outta here monster!  
Monster! Monster!  
Get outta here monster!

There's a monster in my pants  
And It does a nasty dance  
When it sees the light of day  
You can here the people say

Oh no, a monster! Oh no, a monster!  
Oh no, oh no, oh no a giant monster  
Monster! Monster!  
Oh no, a giant monster!

Shut the window, bolt the door!  
Don't wanna see that monster no more!

There's a monster in my pants  
And it does a modern dance  
When it comes into a room  
People hit it with a broom

Take that monster! Take that monster!  
Take it! Take it! Take that you awful thing!  
Take that aaah! Take that aaah!  
Take it! Take it! Take that you naughty thing!

And they don't wear pants on the other side of France  
But they do wear fleece to protect them from the  
beasts

Monster! Monster! Oh gee, a great big monster

There's a monster on the run and it wants to have have  
some fun  
When it flies hup in the air, all the people stop and  
stare  
The guys give a yell and the girls start to shriek  
When they see it's giant claws and it razor sharp beak

Gosh would you look at that thing  
And I thought dinosaurs were extinct

Aaaaah!
