She's got a gold painted soul  
With a ticket to roll  
She's like a ball of an uncontrollable fire  
She's in a dream magazine  
Like a Jupiter Queen  
If you don't know you can call me a liar  
Tooty Fruity living with a loony  
Like a chimpanzee on a wire  
2 by 2 I try to follow you  
But you wont keep this rhythm in time

She's got me going now she's my  
She's my umbrella, my umbrella today my umbrella  
Now she's my, she's my umbrella today

I've got a head full of coffee  
As I'm crashing along I've got the bitch in the back of  
the van  
Well she's a head strong  
King Kong always smoking Cheech and Chong  
I love her juvenile scam  
Ruby Tuesdays always on a Friday  
There's a full moon coming tonight  
Hold the clock  
Cause she's a beautiful fox  
But she wont keep this rhythm in time

Chorus
