Had to... back

Niggers is fake... since the 80s  
No bag... more pain  
Require a new... can'??t fuck with me lyrically  
Fuck... with the perfect face  
To the circus... about to go in  
I work with this work shit  
The worth the wait  
We are... watch us circle it  
Eat good sleep well  
... get it to D12 peace to you God  
Cooler than the most... rapper  
You know the hundreds... by any second  
We are gonna keep real  
To the rage of... on the bench  
Whoever I will be rhyming... and my...  
Talking about getting paid  
I will keep it one hundred  
To me is straight business...  
Look good and eat well  
Stay... move... get it in D12  
Peace to you God
