CHORUS:

I want a hug when we say hello
I want a hug when it's time to go
I want a hug 'cause I want you to know
I'm awfully fond of you.
I want a hug--what a wonderful feeling
I want a hug--to feel you squeezing
I want a hug--it certainly seems like
The natural thing to do!
When I was a little bitty baby child, my momma used to
hold me tight
My daddy used to come and pick me up when I got
scared at night
The years have passed, I've grown so fast, and mostly I
feel strong
But timid or bold, I'm never too old to sing this cozy
song.

CHORUS

Now some folks don't like hugging--they think they're
too tough
I bet they'd be a whole lot friendlier if they were just
hugged enough
When you hug the ones who love you, an amazing
thing you learn
When you give a hug, you just can't help but get one in
return!

CHORUS

Sometimes grownups are grouchy and they put the
blame on you
Sometimes you make just a little mistake though you
did the best you could do
Sometimes love is everywhere and it's a beautiful day
And every time is the perfect time to open your arms
and say:

CHORUS
