CHORUS:

Come on and rock me in the cradle
Of your lovin' arms one more time
Come on and shake me in the cradle
Of your lovin' arms one more time

Here wrapped in your arms, I'd love to stay
But he won't set me free
I feel that it's best for us to break up
'Cause he'll never let us be

With each thought of walkin' out the door,
This heart of mine needs you so much more
Deep in my heart, I still care
Before we end this love affair

CHORUS

We planned our lives dreaming of things
Me and you could never be
I made a mistake while I was young
And he's got a hold on me

He says that he would rather die
Than to see me with another guy
Give me one last moment of splendor,
One last moment to remember

Rock me, baby, rock me
Come on and shake me, baby, shake me

I've loved each moment that we have shared
And I have no regrets
Sweet memories of love will stay on my mind
I know I won't forget

With each thought of walkin' out the door,
This heart of mine needs you so much more
For every dream that won't come true,
Let me reminisce every one with you

CHORUS

Come on and rock me, baby, rock me
Come on and shake me, baby, shake me
Come on and rock me, baby, rock me
(fade out)
