[Chorus:]

I'm living a storybook romance  
I'm living a storybook romance

Look in my looking glass  
What you see is a gas  
Visions of all my dreams parading  
Yes, you opened my eyes  
And made me come alive  
You're the prince  
I'm the girl you set free  
And you taught me the real meaning of love  
You are the genie that comes when I rub  
Magic City opens up to me  
With you, I'm living in a fantasy

[Chorus]

Catch a ride on a star  
And go fly somewhere far  
Wonderland is where we shall be  
Fairytale do come true  
Since the day I met you  
Happy endings are not for make-believe  
You, you are the hero of my story  
You rescued me with your loving glory  
You charmed my gray skies into blue  
And I get high on the things you do

[Chorus]

You, you are the hero of my story  
You rescued me with your loving glory  
You charmed my gray skies into blue  
And I get high on the things you do

[Chorus]

I know fairytales do come true  
When you're in love, baby  
I'm living a storybook romance
