Fish Guts

[Chorus]

Fish guts, fish guts why aren't they eating you?

Fish guts, fish guts it's 'cos your disgusting!

[Verse 1]

They wont put you in the bin,

Maybe 'cos they think it is a sin.

Anyone who eats you is a fool

'Cos they have no brains and they drool!

Fish guts, fish guts why aren't they eating you?

Fish guts, fish guts it's 'cos your disgusting!

[Verse 2]

You're obviously not their favourite food

They must hate you and they're not in the mood!

You may not be a lovely chocolate flavoured ice cream

The only thing you are is a beautiful roast dinner, YEAH
in your dreams!

Fish guts, fish guts why aren't they eating you?

Fish guts, fish guts it's 'cos your disgusting!

[Verse 3]

Well I think it is time for them to have a decent meal

They should eat something nice like fresh eel

Well say goodbye fish guts this is the end of the line,

One person only ate you, his name was Billy and he
was only nine

Fish guts, fish guts why aren't they eating you?

Fish guts, fish guts it's 'cos your disgusting!

Fish guts, fish guts why aren't they eating you?

Fish guts, fish guts it's 'cos your disgusting! Â... Â...
