We're gonna stick em on eBay until they get sold

If you chuck a boffin off a cliff

When they hit the bottom, they'll be all rotten to the bone

They wont be able to get out cos they have no phone

U aint nuthin like me cos im Gangstaaa

U aint nuthin like me cos im a Killaaa

U aint nuthin like me cos im Gangstaaa

U aint nuthin like me cos im a Killaaa

Us gangstas are like killin' machines

We'll give you a virus with no vaccine

We'll make you a tramp

And we'll stamp on your camp!

We're gonna ruin your life every day and night

We'll bust ya'll ass in every fight

Cos we're that dam invincible

We'll pummel you and make you dribble

[Verse 5] F:

Every time you mess with us

We wont just beat ya'll we'll give ya a cuss

When we get you on the floor

We'll kick you in the head

And you'll be begging please no more

Us gangsta's are all over tha world

We'll punch you so hard we'll make you hurl
