Mama Took Those Batteries

[Chorus]

Mama took those batteries,
She took those double a's
She took them away from you
Now you can't watch TV.

[Verse 1]

You can't TV anymore
Your so bored your sitting on the floor
You don't know what to do now
So you decide to piss around.

[Chorus]

Mama took those batteries,
She took those double a's
She took them away from you
Now you can't watch TV.

[Verse 2]

Papa said to get a life
But you didn't like what he said
So you killed him with a knife!
Now you're a murderer
People heard about you
And you got a call from the Mafia!

Mama took those batteries,

She took those double a's
She took them away from you
Now you can't watch TV.

[Verse 3]

You run away from home
To join the Mafia in Rome
Your Mama don't know a thing
Cos she's still shopping for a new diamond ring
You hate your family now

It's all becauseÂ... It's all becauseÂ...

[Chorus]

Mama took those batteries,
She took those double a's
She took them away from you
Now you can't watch TV.

It's all becauseÂ... It's all becauseÂ...

[Chorus]

Mama took those batteries,
She took those double a's
She took them away from you
Now you can't watch TV.
