I'm telling you now
I'm telling you right away
I'll be saying for many a day
I'm in love with you now

I'm telling you now
I'll say what you want to hear
I'll be saying for many a year
I'm in love with you now

Do you think I'm foolin'
When I say I love you? I love you
Maybe you'll believe me when I'm finally through, blue,
blue, blue

I'm telling you now
I know it's been said before
Say you love me, and I will be sure
I'm in love with you now

(Instrumental Break)

I'm telling you now
I'm telling you right away
I'll be saying for many a day
I'm in love with you now

Do you think I'm foolin'
When I say I love you? I love you
Maybe you'll believe me when I'm finally through, blue,
blue, blue

I'm telling you now
I know it's been said before
Say you love me, and I will be sure

I'm in love with you now
I'm in love with you now
I'm telling you now
