Well there's a fat one tall one skinny one bald one
Everybodys favorite lady
I've seen 'em on the tele with the '69 Chevy
But its still mystifying to me yeah

I gotta phone my corporation, I gotta gain some
inspiration
In this non-stop operation,
population conversation yeah yeah yeah

Well theres a pink cat, blue cat, funny little stray cat
24 hours away yeah
Shake a tambourine like your whipping up a cream
Theres a million ways to play it

'Cause I don't know if I'm gonna make it

And I don't know if I can fake it
And I don't want you to rewind me don't erase me
Just amaze me

Yeah yeah yeah you're so electric
I'm so turned on I can't switch off it's automatic
Yeah yeah yeah, I feel electric
I'm so turned on I can't switch off it's automatic

I've gotta cancel my prescription
'Cause I dont need no medication
And I'll take my reservation invitation inspiration yeah
yeah

Chorus
