Far across the deep blue water lives an old German's
daughter

By the banks of the old River Rhine

There I loved her and left her but I can't forget her

She is my pretty Fraulein

Fraulein Fraulein look up towards the heavens

Each night when the stars start to shine

By the same stars above you I swear that I love you

You are my pretty Fraulein

[fiddle - piano]

When the memories wander away over yonder

To the sweetheart that I left behind

In a moment of glory a face comes before me

The face of my pretty Fraulein

Fraulein Fraulein walk down by the river

Pretend that your hand is holding mine

By the same stars above you I swear that I love you

And always will my Fraulein
