"Love Takes Care Of Me"

Cause your love takes good care of me
yes your love takes good care of me
And when the rains fall the winds blow
and the storm is on the sea
I'll be safe for your love takes care of me

When life for me gets weary
and the sun refuses to shine
I run to the arms of the one I love
and there I'll hide
You know just what to do
and say you make my life worth while
And when I look into your face
I see heaven in your smile
Cause your love takes good care...

I'll be safe for your love takes care of me
