Comin' a time, B. D. women, they'n't gon' need no men.  
Comin' a time, B. D. women, they'n't gon' to need no  
men.

Cause the way they treat us is a lowdown and dirty sin.  
B. D. women, you sure cain't understand.  
B. D. women, you sure cain't understand.  
They got a head like a switch engine, and they walk just  
like a natch'l man.  
B. D. women, they all done learnt their plan.  
B. D. women, they all done learnt their plan.

They can lay their jive just like a natch'l man.  
B. D. women, B. D. women, you know they sure is rough.  
B. D. women, B. D. women, you know they sure is rough.  
They all drink up plenty whiskey, and they sure will strut  
their stuff.  
B. D. women, you know they work and make their  
dough.  
B. D. women, you know they work and make their  
dough.  
And when they get ready to spend it, they know just  
where to go
