Over and over, everyday  
You're better than before  
The love that you show me in your special way  
Just makes me want you more

In love that knows no fear  
You're my lover, my best friend  
I'll never let you go, oh, no, no, no

Baby, I said, baby, I can't complain  
About the way that you make me feel  
Baby, I said, baby, I can't complain  
About the way that you make me feel

You make love so easy every night  
With you I come alive  
And how you'd believe in love this good  
And you're the reason why

The love beyond compare  
What we feel and what we share  
I'll never let you go

Baby, I said, baby, I can't complain  
About the way that you make me feel  
Baby, I said, baby, I can't complain  
About the way that you make me feel

Just to be with you from now on  
I'll make any sacrifice  
Whatever it takes, I'm willing to do  
For you I'd make the prayers

And love that never ends  
You're my lover and my best friend  
I'll never let you go, oh no, no, no

Baby, I said, baby, I can't complain  
About the way that you make me feel  
Baby, I said, baby, I can't complain  
About the way that you make me feel

Baby, baby, I just can't complain  
About the way that you make me feel  
Baby, baby, I can't complain  
About the way that you make me feel

Baby, baby  
Baby, baby, I can't complain  
About the way that you make me feel

Baby, baby, I can't complain  
About the way that you make me feel  
Baby, baby

Baby, baby, I can't complain  
About the way that you make me feel  
Baby, I said, baby, I can't complain  
About the way that you make me feel

Baby, baby  
Baby, I said, baby, I can't complain  
About the way that you make me feel

Baby, baby  
Baby, baby
