Girl, I met you on a Friday, babe  
Now it's Sunday and it's getting late  
It's been wonderful, but I gotta go  
Get up in the morning, keep my pockets growin'

Time flies when you're having fun  
Wish I could linger but I gotta run  
When we're between the sheets, it's so hard to leave  
With this angel laying next to me

I wanna stay until the sun comes up  
Making love to you and never stop  
I don't wanna go  
(I don't wanna go)  
I don't wanna go  
(I don't wanna go)

And now we're bathing in the afterglow  
And, girl, I'm moving kind of slow  
'Cause I don't wanna go  
(I don't wanna go)  
But I gotta go  
(But I gotta go)

Look out the window, now the rain is falling  
(Down)  
Look back at you I see your body's calling me  
Skin glistening, softly whispering  
Don't go, why you gotta go?  
(Why you gotta go?)

I guess I'm gonna have to call in sick  
I guess my pockets got to take the hit  
Can't pull myself away, girl, I got to say  
'Cause I know with what you're working with

I wanna stay until the sun comes up  
(Sun comes up)  
Making love to you and never stop  
I don't wanna go  
(I don't wanna go)  
I don't wanna go

(But I gotta go)

And now we're bathing in the afterglow  
And, girl, I'm moving kind of slow  
'Cause I don't wanna go  
(I don't wanna go, no)  
But I gotta go  
(But I gotta go)

Got my keys in my pocket and I'm ready to roll  
But it's so hard to be responsible  
I got so many things to do  
But I can't pull away from you

But I'ma checking like I'm ready to hit the door  
But the sound of your voice got me wanting more  
And then you know  
That's when my belt hits the floor

I wanna stay until the sun comes up  
Making love to you and never stop  
I don't wanna go  
(I don't wanna go)  
I don't wanna go  
(I don't wanna go)

And now we're bathing in the afterglow  
And, girl, I'm moving kind of slow  
'Cause I don't wanna go  
(Movin' kind of slow, girl)  
But I gotta go  
(Movin' kind of slow, but I gotta go)

I wanna stay until the sun comes up  
Making love to you and never stop  
I don't wanna go  
I don't wanna go  
(I don't want to leave you here alone)

And now we bathing in the afterglow  
And girl, I'm moving kind of slow  
'Cause I don't wanna go  
(I don't want to go back)  
But I gotta go  
(But I gotta, but I gotta go)

I wanna stay until the sun comes up  
Making love to you and never stop  
I don't wanna go  
(I don't wanna go)  
I don't wanna go

And now we're bathing in the afterglow  
And, girl, I'm moving kind of slow  
'Cause I don't wanna go  
(I don't wanna go)  
But I gotta go  
(I don't wanna go, but I gotta go, baby)

I wanna stay until the sun comes up
