Woke up this morning with a smile upon my face
Had a dream last night that love was here to stay
To know you're not here with me is tearing me apart
Can't you feel the pain that's down inside of my heart?

Gotta feelin' somethin' here is gonna change
Love is just a touch away
Gotta feelin' somethin' here is bound to change
Love is just a touch away

Something is happening, I think you ought to know
Each time you're near me, passion starts to flow
And you give your love to me
You won't regret it, no no no no no no
Just open up and let me start my show girl

Gotta feelin' somethin' here is gonna change
Love is just a touch away
Gotta feelin' somethin' here is bound to change
Love is just a touch away

Love is just a touch just a simple touch
Love is just a touch away
Love is just a touch just a simple touch
Love is just a touch away

Girl if you feel I'm wrong, I'll keep holding on
Someday you might change yeah
And I'm gonna do all that I must do
If you promise me that you'll stay

Girl if you feel I'm wrong, I'll keep holding on
'Cause someday you might change yeah
And I'm gonna do all that I must do
If you promise me, promise me that you'll stay

Love is just a touch away just a touch away
Love is just a touch away just a touch away

Gotta feelin' somethin' here is gonna change
Love is just a touch away
Gotta feelin' somethin' here is bound to change

Love is just a touch away

Oh baby love is just a touch just a simple touch

Love is just a touch away

Love is just a touch just a simple touch

Love is just a touch away

Come and take my hand

(Love is just a simple touch)

I wanna be your man

Love is just a touch away girl

Oh come and beat me

I know that I
