Oh, Baby, sssss, oh, it's so good, hm, umm,
Umm, umm, umm, umm, umm, hm, get it, Baby, get it
You've been with me through the hardest times
And you've kept my heart, body, soul and mind
together
(You, you, you) It's been us two against the world
It ain't been easy but we sho' made it together
Thanks to (you, you, you) you, you, you
All I wanna say is Baby (Baby) oh my Baby (Baby)
I love you (I love you, hoo, hoo) hoo, hoo
Oh, yeah, Baby (Baby) oh my Baby (Oh my Baby)
I love you, hoo, hoo (I love you, hoo, hoo)
Hoo, yeah, yeah
When my world had fallen to the ground
Your love was there always around
And I love you, and I love you, hoo, I love you, hoo, hoo
Ho, oh---, the world keeps changing in which we live
Sometimes people just don't have the time to give
That very special part of them that keeps our love
together
Oh Baby, take my love, I hope you keep this forever
You (I love you) God bless you
(I love you) I love you (I really do)
Oh, hoo (Hey, hey and I love, I love you) I love you (I
love you)
Yes I do, oh (I really do) its you, Baby, you, Baby, oh
(Hey, hey, and I love, I love you, I love you)
My, my, my, my, my, my (I really do) oh, yes
