There's something that I want to say
But words sometimes get in the way
I just want to show
My feelings for you
There's nothing that I'd rather do
Than spend ev'ry moment with you
I guess you should know
I love you so

(Chorus 1:)
You are my lady
You're ev'rything I need and more
You are my lady
You're all I'm living for

There's no way that I can resist
Your precious kiss
Girl, you've got me

So hypnotized
Just say that you'll stay with me
'Cause our love was meant to be
I promise to love you
More each day

(Chorus 2:)
You are my lady, my love
You're ev'rything I need and more
You are my lady
You're all I'm living for

(Repeat chorus 2)

(Bridge:)
I love your shine, shine, shine
Let's make it last until the end of time

(Repeat chorus 2, ad lib, and fade)
