There is nothing I can do, nothing I can say
That folks don't criticize me, but I'm gonna do
Just what I want to do anyway, don't care if they all
despise me
One day we have ham and bacon
And the next day ain't nothing shaking
But it ain't nobody's business if we do
If me and my baby fuzz and fight
Yes and the next minute let me tell you were alright
Ain't nobody's business if we do

I'm three three times seven
Lord, lord, lord let me tell you it makes twenty one
And it ain't nobody's business what I'll do
Lord, lord, lord, lord, lord, lord, lord,
Lord, lord, lord, lord, lord, lord, lord,
Ain't nobody's business what I'll do
I said lord, lord, lord, lord, lord, lord, lord,
Mmm, lord, lord
And it ain't nobody's business what I'll do
