Have you ever loved a woman, so much you tremble in pain?

Yes, have you ever loved a woman, so much you tremble in pain?

Yes, all the time you know, she bears another man's name

You just love that woman, so much it's a shame an' a sin

Yes, you just love that woman, so much it's a shame an' a sin

Yes, you know, yes you know, she's in love to your very best friend

Yes, have you ever loved a woman, one that you know you can't leave her alone?

Yes, have you ever loved a woman, one you know you can't leave her alone?

Yes, 'cause there's somethin' deep inside a you, won't let you wreck your best friend's home

Hey, hey, hey
