(Woo woo woo woo woo woo)  
(Woo woo woo woo woo woo)  
(Woo woo woo woo woo woo)  
My darlin' left me, didn't even tell me the reason why  
Whoa, you packed up an' left me  
Didn't even tell me the reason why  
Whoa, if I didn't please you baby  
Ain't because I didn't try  
Well it was long about midnight, when I heard that old  
lonesome Cannonball  
Well it was long about midnight, when I heard that old  
lonesome Cannonball  
Well when I think about you baby, tears begin to fall

(Woo woo woo woo woo woo)  
(Woo woo woo woo woo woo)  
(Woo woo woo woo woo woo)  
I've gotta find you baby, if it takes my whole life to  
track you down  
I've gotta find you baby, if it takes my whole life to  
track you down  
Well if I don't find you by plane, I'm gonna use my old  
bloodhound  
(Woo woo woo woo woo woo)  
(Fading:)  
(Woo woo woo woo woo woo)  
(Woo woo woo woo woo woo)
