I'm taking my right in destiny, willing to play my part,  
Living with painful memories, loving with all my heart,  
Made in heaven, made in heaven, it was all meant to  
be, yeah  
Made in heaven, made in heaven.

That's what they say, can't you see  
That's what everybody says to me, can't you see, oh,  
I know, I know, I know, that it's true  
Yes it's really meant to be deep in my heart.

I'm having to learn to pay the price  
They're turning me upside down  
Waiting for possibilities, don't see too many around  
Made in heaven, yes, made in heaven, it's for all to see  
Made in heaven, made in heaven  
That's what everybody says, everybody says to me  
It was really meant to be, oh can't you see  
Yeah, everybody, everybody says, yes it was meant to  
be  
Yeah, yeah.

When stormy weather comes around it was made in  
heaven  
When sunny skies break through behind the clouds  
I wish it could last forever, wish it could last forever  
For ever,.. made in heaven.

I'm playing my role in history, looking to find my goal  
Taking in all this misery, but giving it all my soul  
Made in heaven, made in heaven, it was all meant to be  
Made in heaven, made in heaven.

That's what everybody says: wait and see  
It was really meant to be; so plain to see  
Everybody, everybody, everybody tells me so  
Yes it was plain to see, yes it was meant to be  
Written in the stars.
