Seaside
Whenever you stroll along with me
I'm merely contemplating
What you feel inside
Meanwhile
I ask you to be my clementine
You say you would if you could but you can't
Oh oh
I love you
Madly
Let my imagination run away
with you, Gladly
Brand new angle
Highly commendable
Seaside rendezvous
I feel so romantic
Can we do it again?
Can we do it again sometime?
Fantastic
(.. French? monsieur..)
And at the peak of the season
The Mediterranean
This time of year
It's so fashionable
(kazoos)
I feel like dancing
In the road
Can I have a volunteer?
Just keep right on dancing
What a damn jolly good idea
Jolly good idea
It's such a jollification as a matter of fact
So tres chamon my dear
Ooh oh ooh oh
Ooh
And in the moonlight
Together we'll sail across the sea
Reminiscing every sight
Meantime
I ask you to be my valentine
You say you'd have to tell your daddy

You'd have to tell your daddy
You'd have to tell your daddy
If you can't I'll be your
Valentino
We'll ride upon an omnibus and then
The casino
Get a new facial
Start a sensational
Seaside rendezvous
So adorable
Seaside rendezvous
Ooh
Seaside rendezvous
Give us a kiss *smooch*
Ooh ooh
