"Who Wants To Live Forever"

There's no time for us
There's no place for us
What is this thing that builds our dreams, yet slips
away from us?
Who wants to live forever?
Who wants to live forever.....?
Oh ooo oh.
There's no chance for us
It's all decided for us
Thia world has only one sweet moment set aside for us
Who wants to live forever?
Who wants to live forever.....?
Oh ooo oh.
Who dares to love forever?
Oh oo woh, when love must die...
But touch my tears...with your lips
Touch my world..with your fingertips.
And we can have forever
And we can love forever
Forever is our today
Who wants to live forever.....?
Who wants to live forever.....?
Forever is our today
Who lives forever anyway...?
