Many years I know I've been slavin'
slave masters keep whipping my back
still I know I have one intention
and I'm moving to the promised land

Holy Mount Zion
Here I come
Holy Mount Zion
Here I come

I'm coming with my open arms
I know you await me
I'm coming, I'm coming, I'm coming
wanna see all my bredren and sistren

I've been working from my eyes down my knees
So oh Lord please hear my plea
deliver me from the hands of all evil
oh Lord in Thee I put my trust

Holy Mount Zion
Here I come
Holy Mount Zion
Here I come

I know you await me
I'm coming, I'm coming
Holy Mount Zion

Many years I know I've been slavin'
slave masters keep whipping my back
still I know I will never stop working
and I'm moving to the promised land

Holy Mount Zion
Here I come
Holy Mount Zion
Here I come

I've been working from my eyes down my knees
So oh Lord please hear my plea

deliver me from the hands of all evil
oh Lord in Thee I put my trust

Holy Mount Zion
Here I come
Holy Mount Zion
Here I come

I'm wanting to see my bredren and sistrens
over in Zion

Holy Mount Zion
Here I come
Holy Mount Zion
Here I come

Holy Mount Zion
Here I come
Holy Mount Zion
Here I come
