[intro]

Ooh yeah

There's so much I wanna say to you, yeah

Whoa, slow it down so I can say what I wanna say

[verse 1]

Shouldn't have to tell you how I feel

You know my loving is real

From the crown of my head to the sole of my feet

What is this that I feel, taking control of me

My body's in trouble, it's you that I need

[chorus 1]

This is how you walk

This is how you talk

Or this is how you smile

That makes me come alive

I wanna know what it is about you

[chorus 2]

Cause every little thing that I've been searching for

Girl I see it in you

You're my dream come true

Every single day, in every little way

Every single night I pray, that you'll be there for me

Cause I'll be there for you

[chorus 1]

[verse 2]

Can we go for a walk, and have a little talk

So I can get to know you

Got a lot of things to show you

Please understand, that I'm only your man

And my heart's getting stronger

Don't keep me waiting much longer

[bridge]

Ahh yeah,

Wanna get to know you better

[verse 1]

[chorus 1]

[chorus 2]

[chorus 1]

[chorus 2]
