Push come to shove----(Freddie McGregor)

I end up taking the blame  
Might as well play the game  
O oh sometimes it can be so unfair

Iâ€™m a longing to see you  
I wanna know how you been doing  
Over yonder

I â€™m gonna catch this flight  
And when I reach my destination  
I hope youâ€™ll be smiling

Longing to see me

I thought youâ€™d drop me a line  
Just to say hello my dear  
Iâ€™m doing fine

Doesnâ€™t matter anyway now  
Cause my love for you will never change  
Tell me what you doing right now  
Cause

When  
Push come to shove  
Everybody gonna put the blame  
The blame on me  
For loving you for loving you

When when when  
Push come to shove  
Everybody gonna put the blame  
The blame on me  
Oh oh

See  
I had your number in my diary  
But as soon as I get home  
It has been changed

Iâ€™m not playing any games  
I wanna know if what we have  
Still remains the same

Tell me right now  
Cause I wanna know if

When  
Push come to shove  
Everybody gonna put the blame  
The blame on me  
Iâ€™m tired of taking the blame for loving you

When when when  
Push come to shove  
Everybody gonna put the blame  
The blame on me

Say Iâ€™m loving you  
Itâ€™s for love thatâ€™s true

Telling you my darling  
This is not an easy game

Iâ€™m a longing to see you  
I wanna know how you been doing  
Over yonder

Iâ€™m gonna catch this flight  
And when I reach my destination  
I hope youâ€™ll be smiling

Longing to see me

Thought youâ€™d drop me a line  
Just to say hello my dear  
Iâ€™m doing fine

Doesnâ€™t matter anyway now

Cause  
When  
Push come to shove-----Woh o oh woh oh  
Everybody gonna put the blame  
The blame on me-----Tired of me taking the  
blame for something that I didnâ€™t do

Yâ€™all  
Push come to shove  
Everybody gonna put the blame  
The blame on me-----Woh ooooh for loving you,

they wanna know if it's a love that's true

Push come to shove

Everybody gonna put the blame

The blame on me----- oh well oh oh
