Another red letter day  
So the pound has dropped and the children are  
creating  
The other half ran away  
Taking all the cash and leaving you with the lumber  
Got a pain in the chest, doctors on strike, what you  
need is a rest  
It's not easy love, but you've got friends you can  
trust

Friends will be friends  
When you're in need of love they give you care and  
attention  
Friends will be friends  
When you're through with life and all hope is lost  
Hold out your hand cos friends will be friends  
Right til the end

Now it's a beautiful day  
The postman delivered a letter from your lover  
Only a phone call away  
You tried to track him down but somebody stole his  
number  
As a matter of fact you're getting used to life without  
him in your way  
It's so easy now, cos you got friends you can trust

Friends will be friends  
When you're in need of love they give you care and  
attention  
Friends will be friends  
When you're through with life and all hope is lost  
Hold out your hand cos friends will be friends  
Right til the end

It's so easy now, cos you got friends you can trust  
Friends will be friends  
When you're in need of love they give you care and  
attention  
Friends will be friends  
When you're through with life and all hope is lost  
Hold out your hand, friends will be friends

Right til the end

Friends will be friends

When you're in need of love they give you care and  
attention

Friends will be friends

When you're through with life and all hope is lost

Hold out your hand, cos right til the end

Friends will be friends, yeah
