(Words by Freddie Mercury, Music by Reinhold Mack)

Hold on, shake hands
Don't let's fight, yeah, let's be friends

(Hold on) We were having fun together
(Shake hands) Instead we'll have fun now that you are
gone
(Don't let's fight) I just wanted to have a free hand
(Let's be friends)

(Hold on) You know I tried to be a good girl
(Shake hands) Then I went and let you down
(Don't let's fight) I will search, you had better want to
play around
(I'm so bad) so bad (so bad) so bad (so bad)

Baby you're really something
You're really something to me
You've got a flame in my heart
We ain't never gonna part
Hey baby, you're something to me

Baby you're really something
You're really something to me
You've got a flame in my heart
We ain't never gonna part
Hey baby hey baby, you're something to me

Baby you're really something
You're really something to me
You've got a flame in my heart
We ain't never gonna part
Hey baby, you're something to me

Baby you're really something
Oh yeah, you're really something to me
You've got a flame in my heart
We ain't never gonna part
Hey baby baby, hey baby baby

Baby you're really something

You're really something to me
We've got a flame in my heart
We ain't never gonna part
Wo baby, wo baby yeah

yeah yeah, you're really something to me
We've got a flame in my heart
We ain't never gonna part
Hey baby you're something to me

Baby you're really something, oh yeah yeah, oh yeah
