I want to break free, I want to break free
I want to break free from your lies
You're so self-satisfied, I don't need you
I've got to break free
God knows, god knows I want to break free

I've fallen in love, I've fallen in love for the first time
This time I know it's for real
I've fallen in love, yeah
God knows, god knows I've fallen in love

It's strange but it's true, yeah
I can't get over the way you love me like you do
But I have to be sure when I walk out that door
Oh, how I want to be free, baby
Oh, how I want to be free
Oh, how I want to break free
It's strange but it's true, yeah
I can't get over the way you love me like you do
But I have to be sure when I walk out that door
Oh, how I want to be free, baby
Oh, how I want to be free
Oh, how I want to break free

But life still goes on
I can't get used to living without, living without
Living without you by my side
I don't want to live alone, hey
God knows, got to make it on my own
So baby can't you see
I've got to break free

I've got to break free
I want to break free, yeah
I want, I want, I want, I want to break free
