An amazing feeling coming through.
I was born to love you with every single beat of my
heart.

Yes

I was born to take care of you

every single day of my life.

You are the one for me

I am the man for you

You were made for me

you're my ecstasy.

If I was given every opportunity

I'd kill for your love.

So take a chance with me

let me romance with you

I'm caught in a dream and my dream's come true.

It's so hard to believe this is happening to me.

An amazing feeling coming through. . . .

I wanna love you

I love every little thing about you

I wanna love you

love you

love you.

Born to love you

born to love you

born

yes

I was born to love you.

Born to love you

born to love you

every single day of my life.

I was born to take care of you

every single day of my life.

Every single day of my life.
I was born to love you with every single beat of my
heart.
Yeah
I was born to take care of you
honey

every single day of my life.
