My love is dangerous, dangerous, my love is  
dangerous

Always make you bleed, always make you bleed  
Always make you bleed, love is dangerous

Don't follow in my footsteps, you don't belong to me  
You only make a mistake, don't try understanding me  
Don't try understanding me, all I'm trying to say

My love is dangerous, dangerous, love is dangerous  
Make everybody cry, everybody cry  
Everybody cry, love is dangerous

Don't waste your time with loving, love don't work for  
me

Don't try to show your feelings, step carefully  
Step carefully, I'm trying to say

My love is dangerous because I'm your enemy  
Watch your step carefully  
'Cause I know, I know, I know, I know, I know me

Dangerous, no, can give you guarantee  
I'm your one day ecstasy, next day no, hey

Ooh, dangerous, love is dangerous  
Love is dangerous, yeah  
All I'm really trying to say to you, love is dangerous

No, go play fire with me, fire dance for me  
You no can take a pis stake  
Don't go criticize me, no, go analyze me  
All I'm trying to say

My love is dangerous because I'm your enemy  
Watch your step carefully  
'Cause I know, I know, I know, I know, I know me

Dangerous, no, I can give you guarantee  
I'm your one day ecstasy, next day no, hey

Dangerous, dangerous, my love is dangerous, yeah

Always make you bleed, always make you bleed  
Always makes you bleed, love is

Love is dangerous  
My love is dangerous
