My love is dangerous, dangerous, my love is
dangerous,
Always make you bleed, always makes you bleed,
Always make you bleed - love is dangerous.

Don't follow in my footsteps, you don't belong to me
You only make a mistake, don't try and understand me,
Don't try and understand me, all I'm trying to say -

My love is dangerous, dangerous, love is dangerous
Make everybody cry, everybody cry
Everybody cry - love is dangerous.

Don't waste your time with loving, love don't work for
me
Don't try to show your feelings
Step carefully - step carefully, all I'm trying to say:

My love is dangerous, because I'm your enemy
Watch your step carefully
'cause I know, I know, I know, I know, I know me
Dangerous, no can give you guarantee, I'm your one
day ecstasy
Next day no

Dangerous, ooo dangerous, Love is dangerous,
Love is dangerous, love is dangerous,
All I'm really trying to say to you - love is dangerous

No go play fire with me - fire dance for me
You no can take a pisstake
Don't go criricise me, no go analyze me,
All I'm trying to say -

My love is dangerous, because I'm your enemy
Watch your step carefully
'cause I know, I know, I know, I know, I know me
Dangerous, no can give you guarantee, I'm your one
day ecstasy
Next day no

Dangerous, dangerous, my love is dagerous
Always make you bleed
Always make you bleed
Always make you bleed
love is.....
