I'm just the pieces of the man I used to be  
Too many bitter tears are raining down on me  
I'm far away from home  
And I've been facing this alone for much too long

Oh, I feel like no-one ever told the truth to me  
About growing up and what a struggle it would be  
In my tangled state of mind  
I've been looking back to find where I went wrong

Too much love will kill you if you can't make up your  
mind  
Torn between the lover and the love you leave behind  
You're headed for disaster cos you never read the  
signs  
Too much love will kill you every time

I'm just the shadow of the man I used to be  
And it seems like there's no way out of this for me  
I used to bring you sunshine  
Now all I ever do is bring you down

Ooh, how would it be if you were standing in my shoes  
Can't you see that it's impossible to choose  
No, there's no making sense of it  
Every way I go I'm bound to lose, oh yes

Too much love will kill you, just as sure as none at all  
It'll drain the power that's in you, make you plead and  
scream and crawl  
And the pain will make you crazy, you're the victim of  
your crime  
Too much love will kill you every time

Yes, too much love will kill you, it'll make your life a lie  
Yes, too much love will kill you and you won't  
understand why  
You'd give your life, you'd sell your soul but here it  
comes again  
Too much love will kill you in the end, in the end
