Now you say you're leaving me  
I just can't believe it's true  
You're my kind of lover

Wanna little bit of feeling  
Add a little bit of meaning to my life  
I wanna little bit of feeling  
A little bit of sunshine to my life

I wanna be your kind of lover  
Give a little bit of feeling, just a little bit of feeling  
Add a little bit of meaning to my life

I wanna boogie down with you, brother  
Boogie down with a baseman  
Win love on the grand slam  
I'll be there waiting when you call

Just step right into my heart  
Come a little closer, don't tell me that it's over  
Make a brand new start  
We can work it out just next to nothing  
(Your kind of lover)

Work it out, work it out just next to nothing  
With feeling, feeling, feeling, with feeling

We can work it out  
Let me show what I can do  
I can be your kind of lover  
We can work it out  
(Work it out)

Let me show what I can do  
I can be your kind of lover

I wanna be your kind of mother  
Let's talk about loving right  
Don't talk about doing wrong  
Put a little bit of sense into your mind

We gotta talk it out man to man

Make each other understand  
Right now a little happiness would be fine

Just step right into my heart  
Come a little closer, don't tell me that it's over  
Make a brand new start, we can work it out just next to  
nothing

Work it out, work it out just next to nothing  
With feeling, feeling, feeling, with feeling

We can work it out  
Let me show what I can do, I can be your kind of lover  
We can work it out  
Let me show what I can do, I can be your kind of lover

Hey, your kind of lover  
Your kind of lover  
Your kind of lover
