(Are you lonely for me baby) Yes I am
(Are you lonely for me baby) Comin' home baby
(Are you lonely for me baby)

Oh, it's the last train to Jacksonville
I'm gonna get on it baby, you know I will
Will you try, come on and try
To forget all the pain I brought ya
Go on and cry, go ahead and cry baby
I know that I'm the one who taught ya
To be lonely baby, lonely and blue
I'm lonely baby and I'm lonely for you

(Are you lonely for me baby) Yes I am
(Are you lonely for me baby)

Oh, it's my last buck to Jacksonville
Are you my sweet baby, are you still
Tell your friend, it's the end
I will never again desert you
He will laugh, I can hear him laughin' baby
He said I was born to hurt you
Oh, I'm sorry baby, I'm sorry and blue
Hey, I'm lonely baby and I'm lonely for you

Oh, lonely baby
(Are you lonely for me baby) Whoa lonely baby
(Are you lonely for me baby) Hey hey
I'm comin' home, I'm comin' home
I'm comin' home, I'm comin' home
Comin', comin', comin', comin'
Comin', comin', comin'

It's a long ride to Jacksonville
No one will ever know the way I feel
Will you be there, will you be there
When I, when I get off the train girl
You see you go to be there, you got to be there
I just got to see you again girl

'Cause I'm lonely baby, I'm lonely and blue
Well I love ya baby, and I'm lonely for you

(Are you lonely for me baby)
I'm comin' home, I'm comin' home
I'm comin' home, I'm comin' home
I'm comin' home, I'm comin' home baby
I'm comin', comin', comin', comin'
Comin' home baby
