When your baby leaves you all alone  
And nobody calls you on the phone

Don't you feel like crying  
Don't you feel like crying  
Well, here I am, my honey  
Come on, cry to me

When you're all alone  
In your lonely room  
And there's nothing but  
The smell of her perfume

Don't you feel like crying  
Don't you feel like crying  
Don't you feel like crying  
Come on, come on, cry to me

Nothing can be sadder  
Than a glass of wine alone  
Loneliness, loneliness  
Such a waste of time, oh, yes

You don't ever have  
To walk alone, oh, you see  
Oh, come on, take my hand  
And, baby, won't you  
Walk with me, oh, yeah

When you're waiting  
For a voice to come  
In the night and  
There is no one

Don't you feel like crying (cry to me)  
Don't you feel like crying (cry to me)  
Ah don't you feel like  
A c-c-c-cry (cry to me)  
C-c-c-c-c-crying (cry to me)...
