Hey, girl, I want you to know  
I'm gonna miss you so much if you go (bye bye baby)  
And hey, girl, I tell you no lie  
Something deep inside of me's going to die (bye bye  
baby)  
If you say "So long" (bye bye baby)  
If this is "Goodbye" (bye bye baby)  
Oh, oh, oh, oh

Hey, girl, this can't be true  
How am I supposed to exist without you? (bye bye  
baby)  
Hey, girl, now don't put me on  
What's gonna happen to me when you're gone? (bye  
bye baby)  
How will I live (bye bye baby)  
How can I go on? (bye bye baby)

How can I go on? (bye bye baby)  
Oh, oh, oh, oh

Hey, girl, now sit yourself down  
I'm not ashamed to get down on the ground (bye bye  
baby)  
And beg (bye bye baby), beg you to stay (bye bye baby)

Don't go away (bye bye baby)  
Hey, girl (bye bye baby)  
No, I beg ya, please don't go away (bye bye baby)

FADE  
Hey, girl (bye bye baby)  
No, no, no, no, no, no, no, no  
Don't, don't go away
