When you've been called
To have a realationship with God
When you've been called to do something great for
him
Sometimes
Young people hear me
It's not gone be easy
It's gone be down right hard sometimes
Down right difficult
But the word of the lord
just simply declares one thing

Chorus
Every step of a righteous man
Is ordered by God
Ordered
Though you may not know his mind
He will reveal it all in time
Just know till then
Your steps are ordered by God

Verse 1
When it seems like my mountains to high
And im tired of the climb
When it feels like my patience is frustrated with time
I depend on the spirit
To gently remind

(Chorus)

Verse 2
When my faith is challenged
And my vision is obscured
When I'm hanging on by a thread
And my footings unsure
I look to the spirit
For one word to help me endure
And that word is ordered

Vamp
Ordered, Ordered, Ordered

Before the world was framed
Ordered, Ordered, Ordered
Before the whole world was framed
Ordered, Ordered, Ordered
Before the whole world was framed

Through the fire
Through the flood
When life takes you through winding turns
Ordered, Ordered, Ordered
(repeat 2x's)
