Bluebells on my doorstep
A blue skies up above
A bluebird's over the rainbow
And your blue ribbon love

Shining in your blue eyes
I'm a lucky man
Bluebells, blue skies
Bluebird, blue eyes
I got the blues
And I got em glad

(CHORUS)
Oh, oh, oh
Hap, happy shades of blue
Over you, I mean y-o-u
I got a hap, happy shades of blue
Over you

(CHORUS)

Some folks sing a blue song
When they're feeling sad
A blue straight out of St. Louis
Always brought it bad

Now I don't understand them
Cause I've always had
(What do you have)

Bluebells, blue skies
Bluebird, blue eyes
I got the blues
And I got em glad

(CHORUS) 2X
