With The Belmonts

Come on, everybody  
Let's rock and roll

Na na na na...  
Shoo doop shooby do  
Shoo doop shooby do  
(Shoo doop shooby do  
Shoo doop shooby do)  
Hey, hey, what I say  
(Hey, hey, what I say)

I said do you remember  
The Bop and the Stroll  
And all the fun we had  
When were sixteen years old

Sipping a soda down at  
The candy store  
And what's more

We'd go driving on Friday night  
Parking on the beach  
In the pale moonlight  
You and me in the back seat  
Of a '54 Ford  
We weren't bored

Then we made the drive-in show  
We never saw the picture  
Heard the radio  
Baby, let's put the fun  
Back in rock and roll

Baby, let's put the fun  
Back in rock and roll  
Come on, let's put the fun  
Back in rock and roll  
Let's put the fun  
Back in rock and roll

Na na na na...  
Shoo doop shooby do  
Shoo doop shooby do  
(Shoo doop shooby do  
Shoo doop shooby do)  
Hey, hey, what I say  
(Hey, hey, what I say)

I said, I even remember  
Your senior prom  
I was so nervous  
Meeting your dad and mom  
But everything worked out  
Just as happy as can be

Oh, you see, we got married  
Had kids of our own  
Now, someday, little mama  
When they are grown  
They'll say let's put the  
Fun back in rock and roll

Let's put the fun  
Back in rock and roll  
Let's put the fun  
Back in rock and roll  
Let's put the fun  
Back in rock and roll

Let's put the fun  
Back in rock and roll  
Let's put the fun  
Back in rock and roll  
Let's put the fun  
Back in rock and roll

I said, I even remember  
Your senior prom  
I was so nervous  
Meeting your dad and mom  
But everything worked out  
Just as happy as can be

Oh, you see, we got married  
Had kids of our own  
Now, someday, little mama  
When they are grown  
They'll say let's put the  
Fun back in rock and roll

Come on, lemme hear you now

Let's put the fun  
Back in rock and roll  
Let's put the fun  
Back in rock and roll  
Let's put the fun  
Back in rock and roll

Let's put the fun  
Back in rock and roll  
Let's put the fun  
Back in rock and roll  
Let's put the fun  
Back in rock and roll...
