I look at them shuffle
And-a shuffling down
Rambling and scrambling
And heading for town

A hustle and a bustle
And a-buzzing around
Happily awaiting at the station

I look at that train number 709
Huffing, a-puffing, arriving on time
Who do you think's about to arrive
The band they call the Dixieland Five

They're gonna play
That muskrat ramble tune
The way you never heard it played
Get ready for the big parade

All together now, one and two
Join that happy throng
Feel the beat of that rambling
Scrambling muskrat song
Come on and ramble along, woo

I look at them shuffle
And-a shuffling down
Rambling and scrambling
And heading for town

A hustle and a bustle
And a-buzzing around
Happily awaiting at the station

I look at that train number 709
Huffing, a-puffing, arriving on time
Who do you think's about to arrive
The band they call the Dixieland Five

They're gonna play
That muskrat ramble tune
The way you never heard it played

Get ready for the big parade

Now all together now, one and two
Join that happy throng
Feel the beat of that rambling
Scrambling muskrat song
Come on and ramble along, woo
