This could be our last goodnight together
We may never pass this way again
Just let me enjoy 'till it's over
Or forever
Please don't tell me how the story ends

See the way our shadows come together
Softer than your fingers on my skin
Someday this may be all
That we'll remember

Of each other
Please don't tell me how the story ends

Never's just the echo of forever
Lonesome as the love that might have been
Just let me go on loving and believing
'Till it's over
Please don't tell me how the story ends

Please don't tell me how the story ends
