Close the door to temptation don't let me walk through
Turn away from me darlin' I'm begging you to
Please help me I'm fallin' in love with you

I belong to another who's arms have grown cold
But I promised forever to have and to hold
I can never be free dear, but when I'm with you

I know that I'm losing the will to be true

Please help me I'm fallin' and that would be sin
Close the door to temptation don't let me walk in
For I musn't want you but darlin' I do
Please help me I'm fallin' in love with you
