Uh, uh, uh, uh

Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)

This song goes out to Bobby
Dedicated from Sue
She just wants him to know
Her love for him is true

And this song goes out to Billy
Dedicated from Joan
She just wants to tell him that
She wants him for her own

Don't touch that dial
Leave it on the station
I'm going to make another dedication

Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)

This song goes out to Mary
Dedicated from Jack
He's so sorry they had a fight
And he would like her back

This song goes out to Betty
Dedicated from Joe
He would like to tell the world
He just loves her so

Don't touch that dial
Leave it on the station
I'm going to make another dedication

Oh, yeah (oh, yeah)

Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)

Yeah, this is for all the kids
At Jefferson high school
And Central high school
All the kids in Lincoln high
And Roosevelt high
And Grant high school
Yeah, for all you kids everywhere

Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)

This song goes out to Sammy
Dedicated from Jill
If he won't fall in love with her
She knows his brother will

This song goes out to Judy
Dedicated from Vince
She told him she loves him so
She hasn't seen him since

Don't touch that dial
Leave it on the station
I'm going to make another dedication

Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)

This is for all the kids
All over the world, yeah
For Pat, for Mike, for Dick
For Marylou and Jeanette and

Uh, uh, uh, uh
Don't touch that dial
I'll be back in a little while

Let me hear everybody say
Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)
Oh, yeah (oh, yeah)...
