It's too bad
Things are going so tough with me
Well, it's too bad
Things are going so tough with me
Well, no matter what I do
Seem like ev'rything have to happen to me

I used to have a car
And it was painted white an black
I used to have a car
And it was painted white an black
Well, I couldn't keep up the payment
And the man, he took it back

Yeah!

(guitar & instrumental) 'I want another one'

I used to smoke cigars
The very best in town
But bad luck n' trouble
Is bound to get me down

It's too bad
Things are going so tough with me
Well, no matter what I do
Seem like ev'rything have to happen to me.
