Once I had a secret love
That lived within this part of me
All too soon my secret love
Became impatient to be free
So I told a friendly star
The way that dreamers often do
Just how wonderful you are
And why I am so in love with you
Now, I shout it from the highest hills
Even told the golden daffodils
And now my heart's an open door
And my secret love's no secret anymore
And my secret love
Is no secret anymore
