Well you ought to see my baby
Oh that girl's so fine
Love me every morning and every night
Always on my mind

She's got Sugar Coated Love
Got Sugar Coated Lovin'
She's a far-out baby
Don't mean maybe
She's mine

Don't have to worry 'bout money
Don't have to worry 'bout clother
Don't have to worry 'bout anything
'Cause she's the only heaven I know

She's got Sugar Coated Love
Got Sugar Coated Lovin'
She's a far-out baby
Don't mean maybe
She's mine

Well you can take your pick of the others
You can take anyone you choose
Well I'm holding on to that baby of mine
'Cause she's got what I can use

She's got Sugar Coated Love
Sugar Coated Lovin'
Oh she's a far out baby
Don't mean maybe
She's mine

If you want to know what Sugar Coated Love is
It's the best stuff that they've got
It's the kind of love that makes the old feel young
And the north pole feelin' hot

She's got Sugar Coated Love
Sugar Coated Loving
She's a far-out baby

Don't mean maybe
She's mine
