Don't turn me down I wanna dance with you and dance
with you
Don't turn me down if you don't want this to be
The last dance with me

Maybe, baby, you don't understand
why our love is coming to an end
I've been waiting, waiting for so long
Hear me now before I'm gone baby you are not the only
one
oh, we all pretend we now it all
oh, and then we fall

Don't turn me down I wanna dance with you and dance
with you
Don't turn me down if you don't want me to go
Don't turn around and walk away from me, away from
me
Don't turn around if you don't want this to be
The last dance with me

Somehow, somewhere I will find a girl
who I'll love and take around the world
I know you are everything I want
But I've been there once before and baby I can't take it
anymore
Oh, I want to know what I should do
Oh, I just want you

Don't turn me down I wanna dance with you and dance
with you
Don't turn me down if you don't want me to go
Don't turn around and walk away from me, away from
me
Don't turn around if you don't want this to be
The last dance with me

Don't turn me down again
Don't turn me down I wanna dance
Don't turn me down and walk away
Oh, Don't turn away it's all too late

Oh, Cause I can't wait

Don't turn me down I wanna dance with you and dance
with you

Don't turn me down if you don't want me to go

Don't turn around and walk away from me, away from
me

Don't turn around if you don't want this to be

Don't turn me down I wanna dance with you and dance
with you

Don't turn me down if you don't want me to go

Don't turn around and walk away from me, away from
me

Don't turn around if you don't want this to be

The last dance with me
